

Debbie and Dick helping to bring in  
backs for the Seat Project

Debbie was not as active as Dick in Village Players affairs, but she was always there to help with whatever project Dick was involved in. She was there for the Seat Project, and when Dick came to help clean. And she served as an usher for many, many productions. Every time someone is there to help, it means that someone else can do another job. And every time you went to Dick's house for a meeting, she was always so gracious and welcoming. It was always a pleasure to see her. We will miss Debbie.
