

Millie muddies up Wayne for Death Trap

In *Guys and Dolls*

As stage manager with her crew

Millie Gawlicki spent many hours in our theater, both on stage and off, making her mark as a member you could count on. Willing to do most anything and always with a smile, she will be greatly missed.

Millie began with Village Players in the Spring of 1995 playing one of the "Dolls" in our production of *Guys and Dolls*. She also worked on costumes for that show.

Here are some other shows in which she appeared or worked behind the scenes:

*The Night is My Enemy* – Spring 1996 Costumes, House Manager

*Standing Room Only* – Summer 1996 Stage Manager

*Love Letters* – Summer 1996 Stage Crew

*Oliver* – Fall 1996 Old Woman

As you can see, she has participated in many productions. She has also served as usher for many productions when ushers were not listed on the program.
